Subject: Important Notice - Installation of Air Conditioning Units and Fee Adjustment

Dear Parents/Guardians,

We are writing to inform you about an important development at our school that will enhance the learning environment for your children.

1. The school's managing committee has decided to install air conditioning units in classrooms. This upgrade aims to optimize the school learning experience by maintaining a suitable temperature.
2. To implement this improvement, a nominal enhancement in the school fee structure is necessary. This fee adjustment will cover the costs associated with the installation of AC units, a new generator, increased transformer load, maintenance, and energy consumption of the air conditioning units.

Enhanced Fee Details:

3. An additional Rs 100 per month will be applied under the "Air Conditioner – running & others" category, covering the costs of AC unit installation, generator, transformer, electricity, maintenance, etc.
4. This fee adjustment will be effective from the session 2024-2025.
5. In addition to this, we are also in the process of installing solar panels in both the wings, with 50% of the solar panels already installed in the Senior Wing.
6. Funds generated from this fee enhancement will be utilized exclusively for the installation, maintenance, and sustainable operation of the air conditioning units.
7. If you have any queries or require further clarification regarding this fee adjustment, please do not hesitate to reach out to the school administration. We are here to address any concerns or questions that you have.
8. If any parent has objections regarding this matter, kindly drop an email to xavierbathinda@gmail.com mentioning your name, your child's name and class/section, along with the reason for your objection before 30th October 2023. We value your feedback and input.
9. We are providing this information to you five and a half months in advance of the next academic year. Your early awareness of these changes is important to us.

We truly appreciate your understanding and support as we continuously strive to enhance the educational experience at our institution. Thank you for entrusting us with your child's education.

Regards

PRINCIPAL
