CALLIGRAPHY COMPETITION

THEME: Calligraphy Competition

Date-10th April 2021

**“Calligraphy is a kind of music not for the ears,
but for the eyes” (V. Lazursky)**

All-round development of an individual is the hallmark of Saint Xavier’s School, Bathinda. Along with academics, due importance is given to co-curricular activities. These activities help our children to discover their hidden talents and develop their creative thinking and imagining capability. Aiming this, a Calligraphy Competition was organised for the students of 4th and 5th standard.

In recent years, computers have changed the way we communicate, neglecting the handwriting skill over the keyboard proficiency. As a result, fewer people are practicing calligraphy, revealing a “handwriting crisis” among today’s children. Such competitions turn out to be very meaningful for the students since calligraphy not only improves writing skills, but also teaches us their unique structure and the beauty of the language.

The competition was conducted by Mrs Mamta Yadav under the kind supervision of Mrs. Sonia Jindal (Activity Coordinator)
