MATHS MARATHON (Class IV)

April 30, 2021

Time 12:15 noon

We all are passionate about numbers and conversant with the impact mathematics has in science and daily life. Towards the aim of excelling in mathematics, the students were motivated to exercise logical reasoning and its application.

For students striving to excel in the field of mathematics, a math competition was conducted to highlight their skills and talent. Taking this into consideration, school organized an online Maths Marathon on 30 April 2021 for the students of class IV .

There were total five teams IV A (Team A), IV B (Team B), IV C (Team C), IV D (Team D), IV E (Team E) and each team comprised of three participants. The students participated with great zeal and enthusiasm.

The competition was conducted in three rounds:

First round : Dodging

Second round : Mental Math

Third Round : Mathematics Riddles

This event was conducted by Mrs Vibha Bansal and Mrs.Sreena Shajil. It was an impressive show and the students participated with full enthusiasm.
