

EVENT REPORT

Science Bowl (Class VII)

May 13, 2021

Time 12:15 noon

“Learning gives creativity, creativity leads to thinking. Thinking leads to knowledge”

Science is simply the word we use to describe a method of organizing our curiosity.

Towards the aim of excelling in science, the students were motivated to keep alive the spirit of scientific enquiry, analytical thinking and most important of all, to never stop questioning.

For students striving to excel in the field of science, a science quiz competition was conducted to highlight their skills and talent. Taking this into consideration, school organized an online science quiz competition for the students of class VII.

There were total five teams VII A (Team A), VII B (Team B), VII C (Team C), VII D (Team D), VII E (Team E) and each team comprised of three participants. The students participated with great zeal and enthusiasm.

The competition was conducted in three rounds:

First round : GENERAL SCIENCE ROUND

Second round : VISUAL ROUND

Third Round : RAPID FIRE ROUND

This event was conducted by Mrs Archna Gupta and Mrs.Ravneet kaur . It was an impressive show and the students participated with full enthusiasm.

The result of the competition is as follows:
