LITERATURE QUIZ

"The purpose of literature is to turn blood in to ink"

Literature is the foundation of the life. It places emphasis on many topics from human life and tales. While it is physically written in words, these words come alive in the imagination of the mind, and its ability to comprehend the complexity and simplicity of the text. So to improve the skills and to enhance the knowledge of Students, a healthy **LITERATURE QUIZ** was held on 7th August 2021. All the participants showed their excitement, potential and calibre. They exhibited their oratory skills and displayed their knowledge, but in the end some stood out shining and brighter than others. There were so many notable answers presented by each team but the quick and correct answers given by the winning team was a game changer.
