

HISTORICAL SPEECH CONTEST

Nothing is more powerful than the power of words. Especially if the words come from someone we admire and look up to. We meet, watch, hear many leaders every day. Some we agree with and some we don't. But, there are those who leave a great impact on the lives of millions of people around them, they change the fate of the country and they bring a change which once looked like a dream.

To provide young people with practical experience in the fundamental skills of public speaking; ' Historical Speech Competition' was organized for Class XII Students on July 25th,2020 through the online platform. All the students participated in the competition with extreme enthusiasm. They were adjudged on the basis of Presentation and Delivery, Confidence, Content and Voice Modulation and Articulation. Great Oratory has three components: style , substance, and impact.

Winners typically displayed excellent diction, use of emotion and fantastic gestures.

The aim of this competition was to equip young students with the skills of thinking clearly, speaking persuasively and be an inspiration to all.

Congratulations to our winners!
