

Students show linguistic flair at English Slogan Writing Competition

Students from class VI took part in the English Slogan Writing Competition on July 25, 2020 showing off their flair to craft slogans to tap into their creativity and imagination on the topic “**HEALTH IS WEALTH.**”

The purpose was to sensitise students, about the importance of Health in our lives. Our health is at the centre of our life. Every part of our life relies on us having good health The students came up with impressive Slogans presented in a very artistic manner.

Students came up with some great and colourful original entries. Illustrations accompanying the slogans also displayed creativity and artistic temperament of the participants. Our students displayed a creative and ingenious use of the English language. Their views and thoughts were clearly visible in their slogans. All slogans were judged based on creativity displayed and overall composition appropriate to grade level. The **slogan writing** helped the students to bring their creativity on paper.
