INTER CLASS DEBATE FOR CLASS XII

Topic: Are Schools The Best Place For The All Round Development Of A Child?

Date: 25th April ,2022

“Deliberation and debate are the ways in which you can stir the soul of democracy.”

Debate provides a platform for the students to explore their creative freedom and express what they feel. The length and breadth of the knowledge that they gain through this is simply unparalleled. Debate involves a discussion between two parties holding different views on the same topic.

The purpose of debating is to articulately express one's opinion using persuasive arguments. It is an effective tool to develop the critical thinking skills of the students. Keeping in mind, the aim of honing the public speaking skills of the students and motivating them to put forth their opinion eloquently, an “Inter Class Debate” was organised for the students of Class XII. The topic for this debate was “Are schools the best place for the all-round development of a child?”. The participants were judged on the basis of their oratory skills, confidence level, content presented by them and their countering skills. The students of Grade XII participated wholeheartedly in this event and delivered valid, logical arguments during the debate. The judges for this “Debate” were Mrs. Poonam Baghla and Mrs. Sarita Mittal. This debate provided a golden opportunity to the students to develop their ability of self expression.
