

Event report
Global Quiz Competition
Date: 29th April,2022
Class: 8th
Topic: Save Environment, Save Earth

'Nature is painting for us, day after day, Picture of infinite beauty

-John Ruskin

Earth Day is a global event celebrated on 22nd of April every year. This day aims at creating awareness amongst the people about various environmental issues leading to the depletion of planet Earth. Various activities performed on this day inspire us to love our Planet by saving our environment. In lieu of it, many activities were conducted in St .Xavier's School, Bathinda. As a part of this programme, a global quiz competition was organized for the students of class 8th. Three students from each house participated in the competition. The event was also witnessed by very enthusiastic audience in form of class teachers and students of class 8th

The details of the quiz competition are mentioned below :

- The competition was conducted in three rounds
- First round was a General round in which each team was asked two multiple choice questions and they had to answer in 1 minute's time.
- Round 2 was a rapid fire round in which the participants of each team could answer as many questions as they could in 1 minute. The team got plus 5 points for every correct answer and minus 2 points for every wrong answer.
- Round three was a visual round in which each team had to identify the type of pollution depicted by the picture shown on the screen

The result of the quiz competition is as below

- Topaz house bagged the first position by scoring 35 points.
- Second position was bagged by Sapphire house with 33 points.
- Emerald house got the third position with 25 points.

The quiz was a good learning experience for all the students. The participants gained confidence and the audience also participated with great enthusiasm. Such type of events develop the overall personality of the children

The event was conducted by Mrs Neha Sharma .

Mrs Archana Singla was the score keeper Mrs Gagandeep Kaur was the time keeper

Sir Vikramjeet Singh provided technical support

Mam Simerjeet Kaur captured the entire event
