

EVENT REPORT
XAVIERITE DAY
CLASS IV AND V

Date: 19th July 2022

“The body heals with play, the mind heals with laughter and the spirit heals with joy”

“All work and no play makes Jack and Jill dull as it kills the potential of discovery, mastery and openness to change & to be flexible and it also hinders innovation and invention.” Hence to keep all the Jacks and Jills enthusiastic, energetic and ecstatic, St. Xavier’s School Bathinda keeps organising recreational activities for its students. This motivates them to perform better by taking a break from the monotony. In attempt to do the same and with the intention of providing wings to the budding talents, XAVIERITE DAY was organised for the students of grade 4th and 5th on 19th July 2022.

Several activities were organised for the kids. Event started with a warm up session. Children enjoyed various activities like **Melody Music** in which they learnt a melodious track. Not only they learnt a song, some of them also showcased their talent by singing mellifluous songs. **Art Attack** was the activity in which they learnt to make different types of flowers using colourful craft sheets. **Hurdle Race** was also organised to keep them energetic and fit.

To develop a habit of sharing, children were asked to bring their favourite food so that they can share it with their friends as a part of **Potluck** and they wholeheartedly shared their food and enjoyed it.

The Fun day was organised under the kind guidance of the Principal Reverend Father Cidloy Furtado, Coordinator Mrs. Archana Rajput, Supervisor Ms. Nupur and Activity Coordinator Mrs. Sonia Jindal.
