

NUKKAD NATAK

A BLEND OF ART, EMOTIONS AND SENSITIVITY TOWARDS NATURE

Nukkad Natak is a play that spreads certain valuable messages through art, music and emotions. Under the kind guidance of Ms. Rajbir, the students of St. Xavier's presented Nukkad Natak on 21st July, 2022 on the theme to protect nature and plant sufficient trees for a lush green environment. They shared the information of how to save the environment and made an appeal to the students to act now before it is too late.
