

St. Xavier's School, Bathinda
Session 2022-23 Class 7th
July 26th

"Poetry is the spontaneous overflow
Of powerful feelings: it takes its origin from
emotions recollected in tranquility"

Reciting Poetry immensely enriches our English vocabulary, it also teaches us the correct Pronunciation. Besides, Recitation develops our power of imagination. Poetry is very important for children as it facilitates them to express. It gives them a platform to manifest their talent of public speaking. It also makes them confident and eloquent speakers in the society.

So in order to give wings to students' imaginations a Poetry Recitation competition will be held for class 7 on July 26, 2022.

In our endeavor to empower our students with good oratory skills we urged our students to participate in the competition.

The poetry recitation competition was conducted by Ms. Neha Narang under the able guidance of Mrs. Sonia Jindal (activity incharge). The judges of the event were Mrs. Minakshi Wadhawan and Mrs. Liza Mukhi. Following are the winners of the "Indian House Poetry Recitation Competition".
