

INDEPENDENCE DAY SPEECH CONTEST

CLASS XII

14TH AUGUST, 2020

THEME : PATRIOTISM

“Don’t see others doing better than you, beat your own records every day because success is a fight between you and yourself.”

Patriotism is always marked with pride and valor in sacrificing self for the nation. It is the feeling and a sense of responsibility towards the betterment of the country and a desire to help the nation develop and succeed on all the fronts. Undergoing our own responsibility and duties without any desire or want from the nation and being loyal to the country also depicts the sense of patriotism.

With the objective to promote orating skills, the school organized an “Online Speech Competition” on the occasion of our Independence Day. This competition was centered on Public Speaking and Communication skills.

The intention was to give a platform to the students of Class 12 to speak in front of their schoolmates so that they can become better orators. Since, public speaking is one of the most important 21st-century skills that a student should have but many of us don’t get the chance to speak in public often.

Through “Online Speech Competition” the school intended to establish a new dimension regarding achieving such skills.

The students were judged on the following parameters :

Speech Construction | Presentation and delivery | Content of speech | Language | Overall Effectiveness and Time

RESULT HIGHLIGHTS:

1. TANISHA BANSAL ; XII : D (First Position)

2. TAANISHA KHIPPAL ; XII : B (Second Position)
