

LOHRI: THE HARVEST FESTIVAL

13th January, 2023: As Indians, we are fortunate to be born in a land of diverse cultures. The splendor of living in a country like India is that we get to know about the various traditions and festivals of different states. To feel the warmth of these festivals, St. Xavier's School, Bathinda, organized a splendid Lohri celebration in the school campus. The celebration witnessed the presence of all the teachers ,the working staff and the students of class 8,9 and 10.

The celebration commemorated with immense joy, enthusiasm and magnificence. A bonfire was lit and all the teachers, the staff and the students enjoyed the procession by dancing and singing Punjabi folk songs.

Overall it was a fulfilled day for the teachers and the students. Such events should be always encouraged by the schools so that the students can learn the importance of our culture, tradition and togetherness.
