

## A Day out of Class 6 and 7

St. Xavier's school students of class 6 and 7 were taken on a trip to Patiala on 18th and 19<sup>th</sup> of April. They Explored; a new place called Fun World. The children began their journey in the morning around eight and it all started with music, dance and laughter. Children's excitement level was on the cloud nine, as they couldn't stop dancing and having fun throughout the journey. Children had their sumptuous share of breakfast at the Patiala Haweli. Then the journey went on and children entered the Fun world around 12 pm. Their excitement knew no bounds when they saw the swings and water rides. Not only did students have fun taking rides but teachers also didn't leave any stone unturned in having their best times. To beat the heat children dived into the pools and tried their talent of swimming. And finally, they filled their bellies with the delicious lunch at the fun world Mess. After the Lunch they were taken to enjoy the 5D show in a hall where they had roller coaster rides together. Although children were not willing to come back but they boarded the bus for their way back to Bathinda. The last halt was at the Burger king where they had their desired yummy burgers and fries. The dancing and laughing continued till they reached back around 8 in the night. Satisfied and happy faces of the parents were really a pleasure the eyes of the teachers and staff members.
