

## **St. Xavier's School Organises Parent Orientation Programme**

St. Xavier's School, Bathinda organised 'Parent Orientation Programme', an orientation programme to create parents' familiarity with the institution's regulations and academic standards, acquaint them with teachers as well as teaching methodologies and to apprise about the school atmosphere that will help students succeed.

The programme was conducted on Aril 29, 2023 wherein Dr. Rabina Maheshwari, Obstetrician & Gynecologist and Dr Gagandeep Goyal, DM Gastro graced the occasion with their esteemed presence as guests of honour. Father Selvaraj Peter, Father Christopher Michael, Manager, Father Cidloy Furtado, Principal, Father Vinod Baa and Father Veneto Colaco also marked their presence in the event.

The programme involved various performances by the students in the form of Play, Dance, Group Singing and March Past. It also included an interactive session between teachers and parents of LKG for the academic session 2023-24.

A special gift box for the children of LKG and the third edition of school magazine 'Young Expressions' was also unveiled on this auspicious occasion.

Dr. Maheshwari treasured the efforts of the school in organising such a thoughtful programme and stated that it would help in better understanding and communication between teachers and parents which would ultimately result in better outcome from the children. She also said that it is a sincere effort made by the school in enlightening the parents to look after and guide their kids properly.

Father Christopher Michael, Manager welcomed all the parents and emphasised upon the mutual efforts of teachers and parents in inculcating the values in children along with the better outcome in academics, sports and all the spheres in life.

The programme was concluded with national anthem.
