**Xavierite Day**

**29<sup>th</sup> April 2023**

## **A concoction of fun, frolic, and learning**

Xavierite Day was held on 29<sup>th</sup> April in St. Xavier's School, Bathinda for the students of 4<sup>th</sup> and 5<sup>th</sup> standard. Students participated in various activities with lot of zeal and enthusiasm.

They participated in drills conducted by the PT teachers.

They learned to make photo frames with the help of newspaper. This activity was conducted with the sole aim of teaching the students to make the best use of waste.

Hurdle Race was also organized for the students to test their potential and give them the message that hurdles will be there and they must overcome them in order to succeed in life.

It was conducted under the kind supervision of Mrs. Sonia Jindal (Activity Coordinator)
