

Health awareness seminar.

A healthy awareness seminar was organized at St. Xavier's Bathinda on 9th May 2023. Awareness was imparted to prevent Dengue and Malaria fever. Health Supervisors namely; Mr. Dilbag Singh, Mr. Varinder Singh, Mr. Johny Kumar, Mr. Vinod Kumar and Mr. Sukhpal Singh (health inspector) were present to throw light on the methods to stay away from the life-threatening viruses.

A total of 1000 students were present with the staff members. The session took place for an hour. In short it was much needed and very informative.
