

ST. XAVIER'S SCHOOL
SPELL BEE COMPETITION - GRADE 4

"Spellings help in cementing the connection between sounds and letters."

A Spell Bee competition attempts to raise awareness about the possibilities of using varied words in oral and written expression and gives an opportunity to students to add new words to their active vocabulary.

Keeping this thought in mind, a Spell Bee Competition- '**Spellers on a Ride**' was organised for the students of Grade 4 which provided a platform to learn spellings in innovative ways, enrich the vocabulary of the learners and enhance their comprehension skills. It was an endeavour for language development as it aimed at learning through a group activity where healthy competition was encouraged.

This Spell Bee Competition was organised on 18th May 2023 under the guidance of Mrs. Gagandeep Kaur Sra. Two students from each house participated in this competition.

There were four rounds- **Discovering Depiction, Guess My Mess, Taciturnly There and Twitch The Switch**. There was a time limit for the second, third and fourth round. This competition motivated learners to come out of their comfort zones and added a touch of experiential learning.

There was close competition as the participants from each house tried their best to outshine each other.

The positions are as follows:

FIRST POSITION	TOPAZ HOUSE
SECOND POSITION	EMERALD HOUSE
THIRD POSITION	SAPPHIRE HOUSE

This event contributed to showcase the spelling skills of the students and inspired them to boost their confidence by broadening their literary horizons.
