The school premises was beautifully decorated and the ground was adorned with Christmas ornaments and fairy lights. Huge gathering came to enjoy and have fun at the vibrant stalls bursted with joy and laughter erupted from every corner.

It started at 11am in the morning and continued till 9 pm. Children and people of all age groups enjoyed the food, played games and danced on the joyful tunes.

One of the most attractive events was the raffle draw.

It was an extraordinary event which gave us an opportunity to experience the serene bliss of Christmas and the delight of contributing to a social cause.
