

## SCIENCE QUIZ COMPETITION

Date: 20-08-2020

Class : VIII

**“Learning gives creativity, Creativity leads to thinking, Thinking leads to knowledge.”**

St. Xavier’s school has faith in enhancing all aspects of a student. Alongside scholastic, a due importance is given to co-curricular activities. These activities help our students to bring social skills, intellectual skills, moral values, personality progress and character appeal in them. These activities help the students to develop skills beyond knowledge of subjects. As it is rightly said **“Education is informative and important but extracurricular activities sow and nurture dreams”**.

The competition was divided into four rounds:

1) **First Round (18th August):** In this round a test by Google form was sent and student had to reply within 10 minutes. Students with highest scores and quickest response were selected.

2) **Second round (20th August):** The 3 shortlisted students from each section were asked set of three general science questions and were given 20 seconds to answer each question.

3) **Third Round (20th August):** In this round each team was shown a picture on screen and a question was asked related to the picture. Total time to answer was 45 seconds. Three marks for picture recognition and three for answering the question correctly were awarded.

4) **Fourth Round (20th August):** This was a rapid fire round, in which each team was given 1 minute to answer maximum questions asked and each correct answer was given 2 marks and negative one was given for wrong answer.

The positions were declared according to their scores.
