

## SCIENCE BOWL - QUIZ COMPETITION

**CLASS 7**

**Date: 24-10-2020**

**“An investment in knowledge pays the best interest.”**

St. Xavier's school believes in developing all aspects of a student's personality. Alongside scholastic, equal importance is given to co-curricular activities. These activities help our students to inculcate social skills, intellectual skills, moral values, personality progress and character appeal in them. These activities help the students to develop skills beyond knowledge of subjects.

**Each team consisted of three members:**

The competition was divided into three rounds:

- 1) **First Round** : The 3 shortlisted students from each section were asked set of three general science questions

and were given 20 seconds to answer each question. Each question carried two marks.

2) **Second round:** In this round, each team was shown a picture on screen and a question was asked related to the picture. Total time given to answer was 45 seconds. Three marks for picture recognition and three for answering the question.

3) **Third Round:** This was a rapid fire round, in which each team was given 1 minute to answer maximum questions asked and each correct answer was given 5 marks and negative mark one was given for wrong answer.

The positions were declared according to their scores.
