The management of St. Xavier's School organised a programme to celebrate motherhood.

The main objective was to create a positive bond with the mothers and to acknowledge the efforts put in by them for the holistic development of their children.

The programme was organised under the guidance of the Manager of the school Father Christopher Michael, Principal Father Cidloy Furtado, Parish priest Father Vinod Sanjay Baa and Father Joseph D'Souza. The day was planned with loads of fun filled activities by the teachers.

The main attraction was the Xavierien nursery where in everyone took an oath to nurture the plants and protect the mother earth.

The day ended with all mothers and children, enjoying themselves, sharing food and taking back fond memories of a day well spent. The mothers appreciated the efforts put in by the school as it was a learning experience for all.
