

## **“Mathematics is in its way a poetry of logical ideas”**

A seminar was organised known as ‘Vision for Maths’. It was conducted by the resource person, Mr Amandeep Singh from Patiala, a renowned Maths teacher. It was an informative seminar where teachers learnt various facts about Maths and how to apply shortcut techniques to perform Mathematical operations. The resource person helped to enhance the logical thinking of the teachers. He showcased how can students learn Maths using out-of-the-box activities. Resource person was felicitated by Mrs Archana Rajput. Workshop aimed at changing the mind set and attitude towards teaching Maths.
